JANET HOUSE

Taft's 1987 Atinian is dedicated to Janet House. After having worked for twenty-seven years at Taft, Mrs. House, Taft's Financial Manager, has decided to retire. Her job was one of great importance. She was responsible for handling a fluctuating yearly income which went to sports events, extra-curricular activities, and various other activities and clubs.

Mrs. House said that she loved her job; she would definitely do it again if she could. She stated that she's "just worked long enough." She wants to "take life easy, relax, and travel."

The student body at Taft wishes her the best of luck for the future.

COMMUNITY

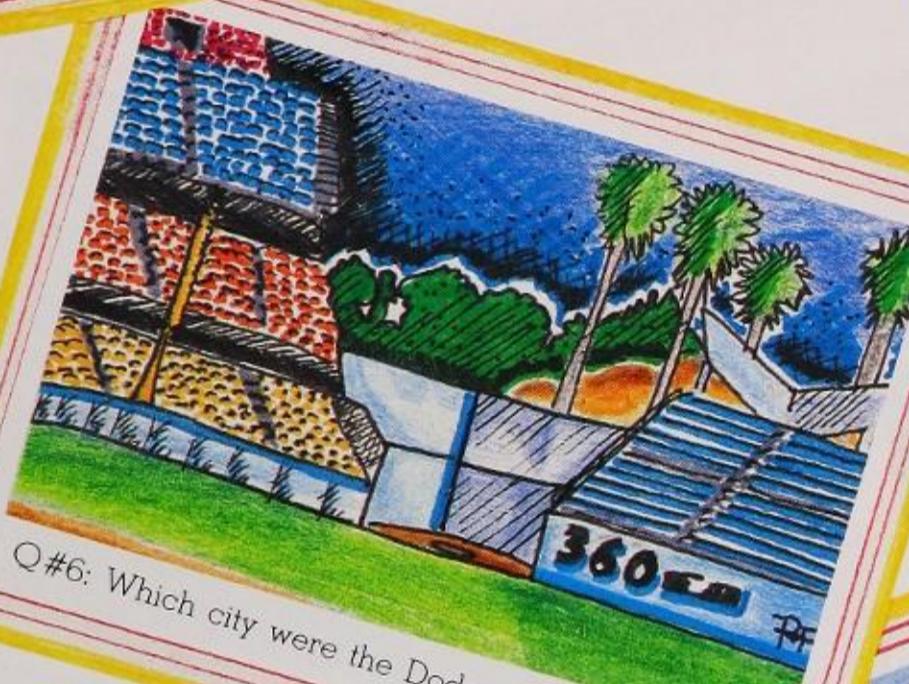

Woodland Hills, the community surrounding Taft High, has a history going back almost a century. In 1854 Woodland Hills and the south half of the San Fernando Valley was owned by Mr. Lankershim and Mr. Van Nuys. Then in 1858, Miguel Leonis arrived to this part of the valley to live and soon took over the land.

In 1923, Victor Girand subdivided 2,886 acres of land into 6,826 lots. This created a small community and for the next eighteen years, the area was known as Girand. Over the next ten years, the population of Girand strongly increased and in 1941 the community of Girand was formally changed to Woodland Hills. Woodland Hills has grown to a population of approximately 86,000 residents. Will you live in this community when you grow up?

CLUBS & ACTIVITIES

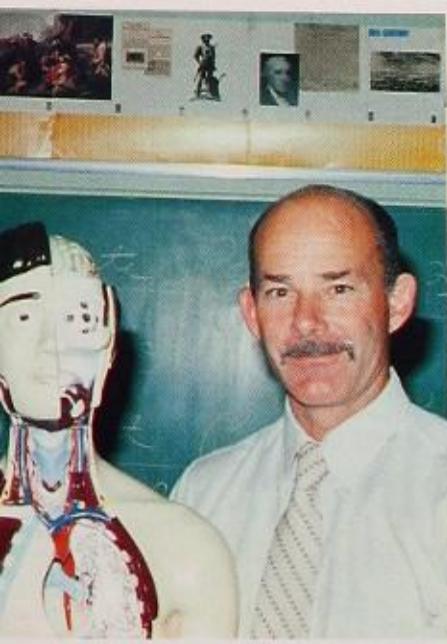

Taft has a wide variety of clubs and activities available for students to join. If you want to learn about other cultures or feel more a part of your own, you should investigate Spanish, Korean, Asian-American, Shalom or German Club. For those creative types, Taft offers Play Production, Show Choir, Art Production, Atinian, Tribune, Band and Stage Crew. Knights and Ladies is our service organization. Active students might be interested in Ski, Bike or Jazz'd Club.

Enhance your political interest by joining Student Cabinet, SADD, Greenpeace, Junior State, House of Representatives, Political Awareness, or Speech and Debate. For the academically inclined student, there is CSF, NMSQT and Academic Decathlon.

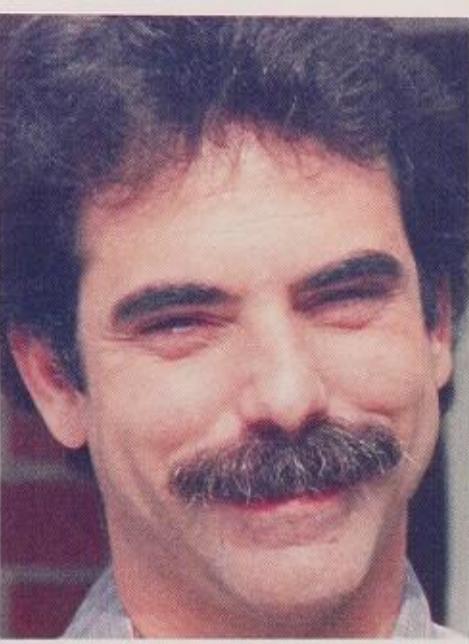

Five of our clubs are brand-new this year — Bike, Jazz'd, Political Awareness, Greenpeace and SADD.

TAFT ALIVE! A SPIRITED HOMECOMING

"Homecoming this year was the most spirited event at Taft ever." "Thanks to Deborah Wright and the Student Cabinet, our homecoming was electric." Positive comments could be heard all over the school after one of our most exciting weeks in Taft's history.

On the first day of Spirit Week 1986, the homecoming nominees literally stuffed their faces in the Pie Eating Contest. On Tuesday, students dressed in school colors and wore sunglasses. The nominees saved their appetites for Wednesday, when they all engaged in an Ice Cream Eating Contest. It was also the day when they dressed up to represent their club. Each club sold their favorite delicacy at the International Food Fair on Thursday.

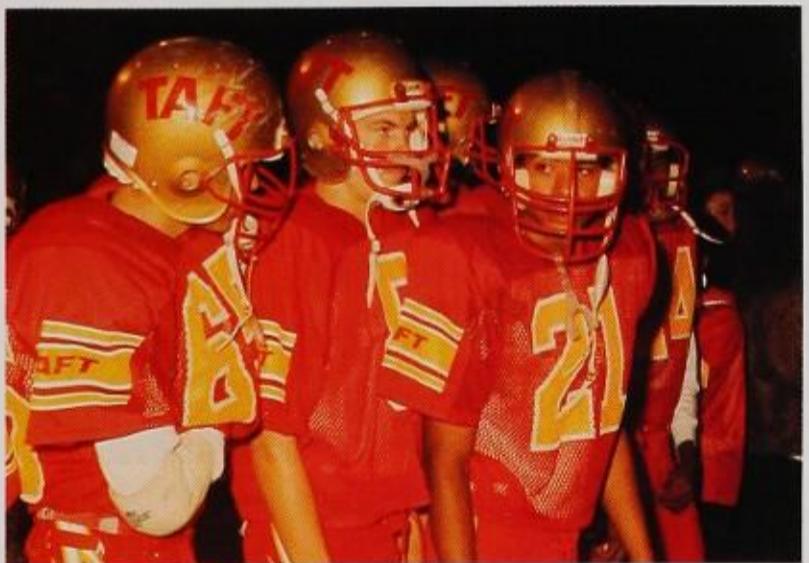

Then came Friday, the big day. Homecoming Day started off with an exciting pep rally and thundering Snake Dance. This year's theme was "It's A Small World" and each club created a float of their favorite country. The Freshman Steering Committee float, Australia, won Most Outstanding. The Most Original was awarded to Tribune, the Wizard of Oz. Knights and Ladies' Scotland won Best Decorated and Most Spirited went to the Cheerleaders' Iceland. All of the spirit paid off because Taft beat Monroe 35-7. Dancing, great music and enthusiasm were what made the homecoming dance so much fun.

Nominees for King and Queen included Jason Bromberg, Ami Rosenquist, Ira Leibowitz, Sonja Collier, Oshun Pierre, and Desiree Carter from Senior Steering. CSF nominated Paul Neinstein and Mee Kim. Cheerleaders nominated Andy Wellische and Toni Chandler. Drama nominated Molli Wood. Bike Club nominated Kenny

Winn and Stacey Friedman. Jazz'd nominated Eric Branof and Elise Davis. The Club nominated Josh Polston and Suzanne Hirsch. Tribune nominated David Weiner and Gigi Whittaker. German nominated Scott Barker and Mary Gill. Knights and Ladies nominated Howard Donnell and Michelle Travis. House of Representatives nominated Andy Cabbe and Kathy Park. Spanish nominated Rod Bailey and Sharona Sarshad. Drill Team nominated Jeff Applebaum and Wendy Forest. SADD nominated Mark Koransky and Wendy Saunders. Cabinet nominated Eric Bohren and Kim Woodard. Junior Steering nominated the following for Prince and Princess: David Flores, Jennifer Garson, Andi Berk, Ali Riback, Greg Singer and Lisa Vinnecour. Sophomore Steering nominated Josh Stenger, Dina Sheets, Josh Leibowitz, Morgan Doctor, David Saranow and Stacy Goodman. Freshman Steering nominated Hank Wethington, Heather Guyett, Ben Shamoil, Michelle Abercen, Jason Ades and Courtney Lake.

The winners were announced at the Homecoming Dance. Freshman Prince and Princess were Jason Ades and Michelle Abercen. Sophomore Prince and Princess were Dave Saranow and Stacie Goodman. Junior Prince and Princess were David Flores and Jennifer Garson. Senior Second Prince and Princess were Jason Bromberg and Mee Kim. First Prince and Princess were Eric Bohren and Kim Woodard. The Homecoming King and Queen were Oshun Pierre and Toni Chandler.

Congratulations, Taft!

Administration, Faculty & Staff

PRINCIPAL'S MESSAGE

Question: Things are going very well at Taft now. How do you account for the high degree of school spirit, the efficiency and the academic success of our student body?

The Administration, faculty, Parents and students work together cooperatively to meet the interests and needs of our students. The Taft students recognize the dedicated, caring effort being put forth to provide the best high school experience for all the students.

Question: In our changing world, what moral values and modes of thinking must we have to survive?

Instilling moral values in our young people should be an important focus in the educational process. For our students to survive in this changing and complex world, they need to develop thinking skills - how to reason, identify problems, create solutions and make decisions. To learn thinking means considering various points of view, analyzing the reasoning process, interpreting statistics, identifying biases and describing the message and meaning of communicated words, ideas, and images.

Values such as honesty, justice, liberty, kindness, sincerity, considerateness, courtesy, helpfulness, personal growth, equality and philanthropy are just some of the values our young people need to have in order to be productive citizens in our changing world. The ethical values our students need to have for the future are those our forefathers wrote into the constitution.

When our young people can understand that being a citizen in our society carries with it the responsibility of obtaining mature and informed judgement, developing the ability to secure gainful employment, and to manage their own lives, they will not only survive but they will become productive citizens in our society.

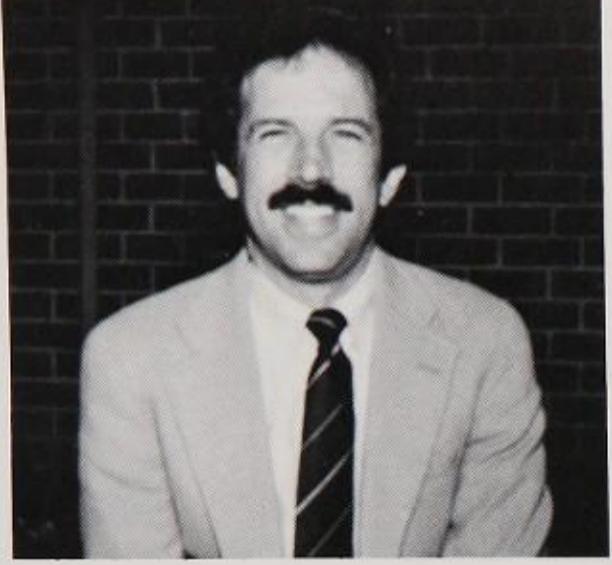

RONALD M. BERZ

Everyone at Taft would like to welcome the twenty new teachers for the 1986-1987 school year. They are Patrick Badillo, Sten Brickman, Ellen Faulk, Faye Griffith, Mel Hein, Suzanne Holmes, William Hug, Jeanne Huybrechts, Arleen Ishimoto, Eileen Kassem, Suzanne Lee, Elena Paul, Virginia Quan, Susan Sagara, Alba Tovar, Natalie Trapp, Frank Walbert, Robin Woodruff, and Thomas Wright. Also, our new psychologist is Sondi Culler and our Student Store Man-

ager is Barbara Tobias.

We would also like to congratulate Sharon (Carillo) Konish, Loretta (Brunner) Burns, Michael Wilson, and David Silberman on their marriages.

Our faculty question for this year was: "What one fact would you like to get across to your students?"

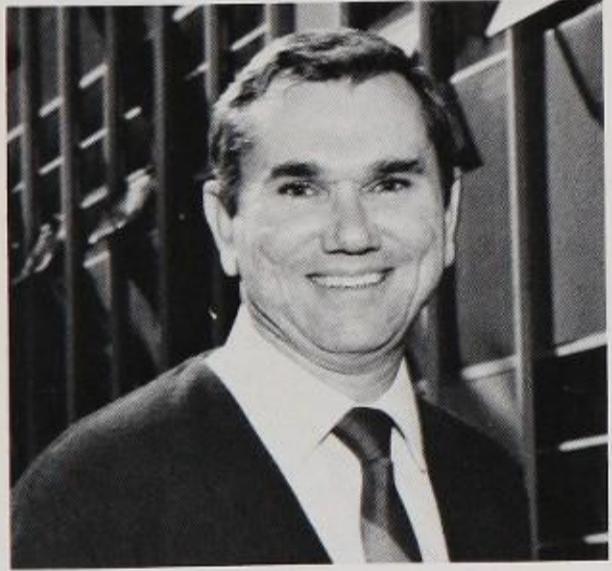

Larry Messenger, Asst Principal

The success of any student body both athletically and academically is a result of hard work and self respect. The faculty can encourage these attitudes but only the students can make it work. The achievements we have realized over the past two years are a direct result of student pride and a tremendous effort.

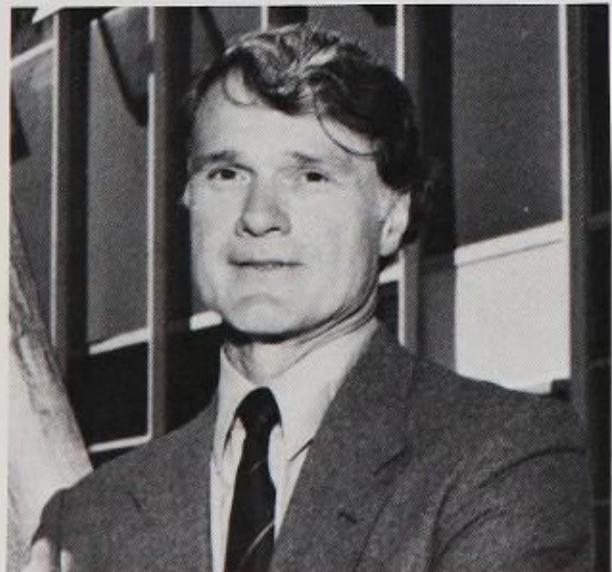

Pat White, Asst Principal

The high degree of school spirit and accomplishment of Taft students can be attributed to the commitment of students, teachers, staff and administrators to work toward excellence. There seems to be a collective desire among the Taft family to promulgate "Taft Pride" thru Academics, sports, student activities and student services i.e. Counseling, tutoring, and recognition of the importance of the individual. We also have wonderful support from S.C.A.C., P.T.S.A., Booster Club and Litton our "Adopt A School" sponsor.

Al Hemenway, Head Counselor

When teachers, administrators and students renew their efforts, it is easier to improve the learning climate and strengthen educational opportunities.

Bob Voiles, Administrative Dean

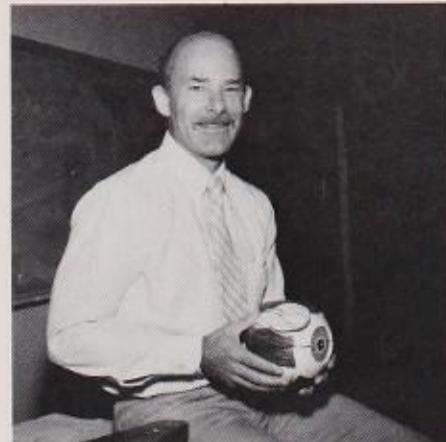

IT SEEMS TO ME THAT JUST ABOUT EVERYONE HERE AT TAFT HIGH SCHOOL APPRECIATES WHAT WE HAVE NOW. STUDENTS ARE ENTHUSIASTIC AND HARD-WORKING, TEACHERS ARE TALENTED AND INVOLVED, OFFICE AND CUSTODIAL STAFF ARE CONSCIENTIOUS AND PRODUCTIVE AND ADMINISTRATORS ARE COMMITTED TO FACILITATE A FULL EDUCATIONAL AND PROFESSIONAL EXPERIENCE. I THANK EVERYONE FOR THAT.

JR. FALL CRUISE

On November 1, 1986, Taft-Seniors discarded their jeans and Reeboks and dressed up in semi-formal attire for a 3 hour cruise on the high seas out of Long Beach Harbor. They spent the evening talking, eating, star gazing, and dancing the night away. Everyone looked dazzling. It was a night seniors will never forget!

"I wonder how we're going to get down from here."

"We've got the spirit, yes we do!"

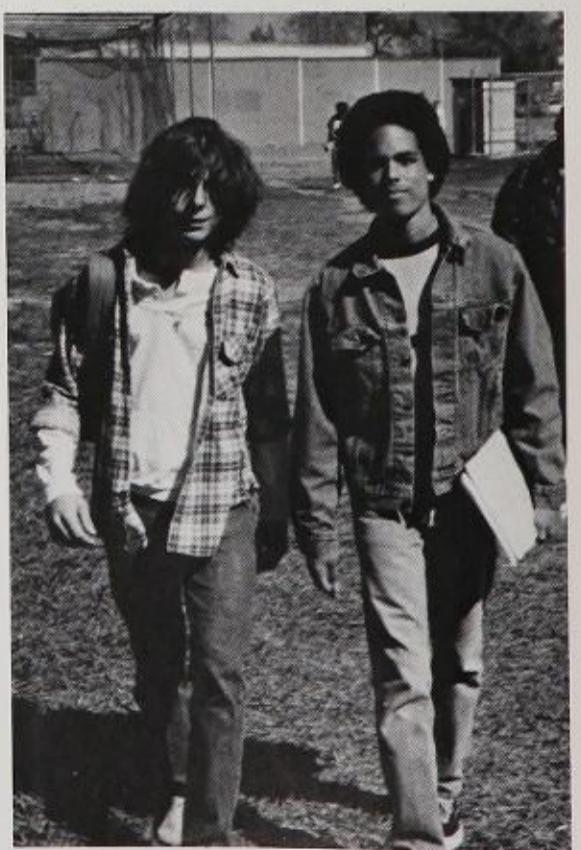

"But I thought you had the keys!"

"Tony! Smile! I think we're on Candid Camera!"

"Don't look! The locker is a mess!"

"Off to class?!"

CAMPUS SCENE

"Why do I feel like we're being watched?"

"Parking lot isn't quite the dining spot we had in mind . . ."

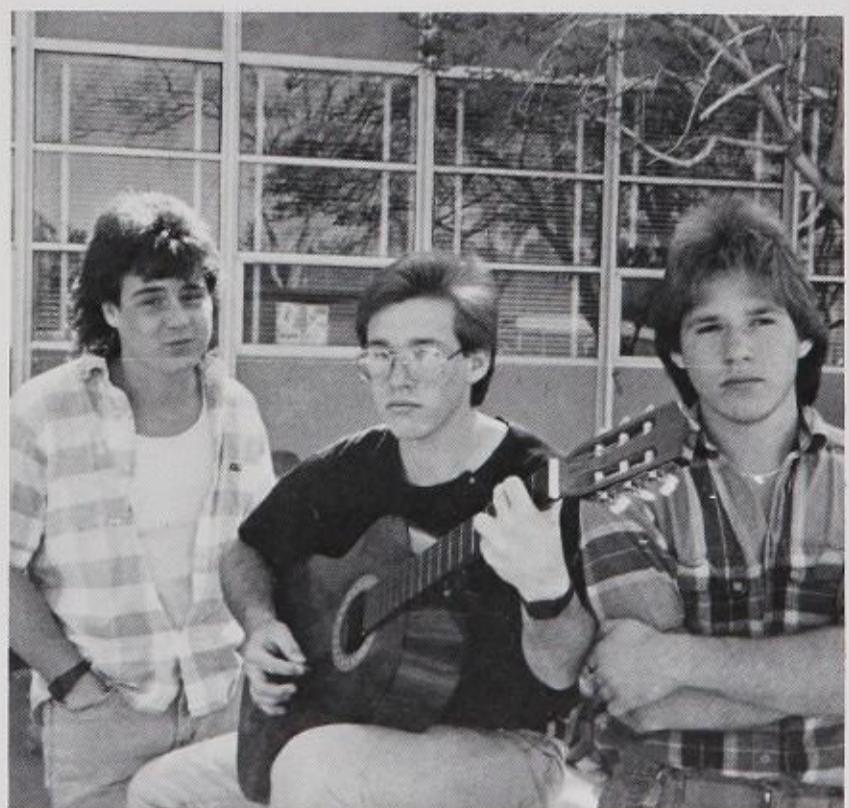

Catching some rays.

"Is this togetherness or what!"

"No, we swear, we didn't do it!"

What Were You Listening 2 in '87?

What station were you listening to in 1987? Was it on the right side of the dial around 106.7 KROQ? Or all the way to the left near 95.5 KLOS? Perhaps it was near the middle near 101.1 KRTH?

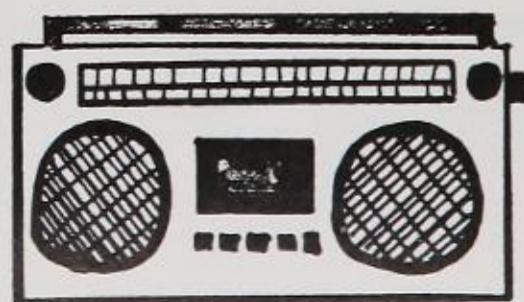

FM radio has changed a lot over the past years. KIQQ 100.1 changed to KLITE and mellowed its music. Magic 106 became KPWR 105.9 and picked up its pace with dance remixes and top 40 hits. KKHR came out strong, but quickly changed to KNX 93.1. KLSX is a new station with a "classic rock of today and yesterday" format whose popularity is growing fast. One major change was that of KMET 94.7 to the "Wave". Its music changed from rock to a combination of top 40 and oldies. Other stations around in '87 were KIIS 102.7, KJLH 102.3, KOST 103.5, KBIG 104.3 and KNAC 105.5. Which was your favorite?

STUDENT POLL CHOICES

SPORTSMAN OF THE YEAR: KEVIN FRANKLIN

The amazing Kevin Franklin is undoubtedly the best basketball player in the history of Taft High School. He holds all of Taft's scoring records: Single Point Game 43 versus Reseda, average 34.5, Most Points in Year - 687, Most Points in High School Career - 1,251 and Freethrow Percentage 84% in 1986 and 1987. Kevin is also the only Taft player to make All City Team twice and All Valley Team 3 times.

Kevin's great scoring comes mostly by longrange. His superb jump shot is tops in the city, if not in the state. Kevin is a master at creating shots in the air and getting himself open to unleash his deadly jumper. If his outside shot isn't working, he has a great first step and glides to the basket for a layup.

His defensive skills are also quite adequate. Kevin plays down low in the 2-3 zone defense. If they want man-to-man defense, he would be covering the opposing team's best scorer. His rebounding skills are great, averaging 8 rebounds per game. Kevin's great scoring ability led him to score 79 points in two games against the nation's third-ranked team, Fairfax. He also brought five Taft students to start the K-Corner in honor of Kevin. Every time Kevin scores a point, a K would go up on top of the gym.

High school basketball is just a stepping stone for Kevin. He will be playing college basketball next year and possibly a professional career. Taft fans are expecting great things from Kevin Franklin in the future.

SPORTSWOMAN OF THE YEAR: DANA LEVY

Dana Levy has been the captain of both the Girls' Tennis Team and the Girls' Varsity Softball Team. This year, she climbed from tenth (last) to first on tennis doubles. In softball, Dana has been All-League for the last two years and is expected to win again this year.

Dana's family is very athletic. There isn't a sport they wouldn't try. But Dana's first love has always been softball and she feels that that's her best sport. In fact, in her sophomore year, she was the only sophomore on the varsity team.

We congratulate Dana on her achievements and hope she gets a lot of satisfaction from tennis and softball in the future.

COACH OF THE YEAR: TOM STEVENSON

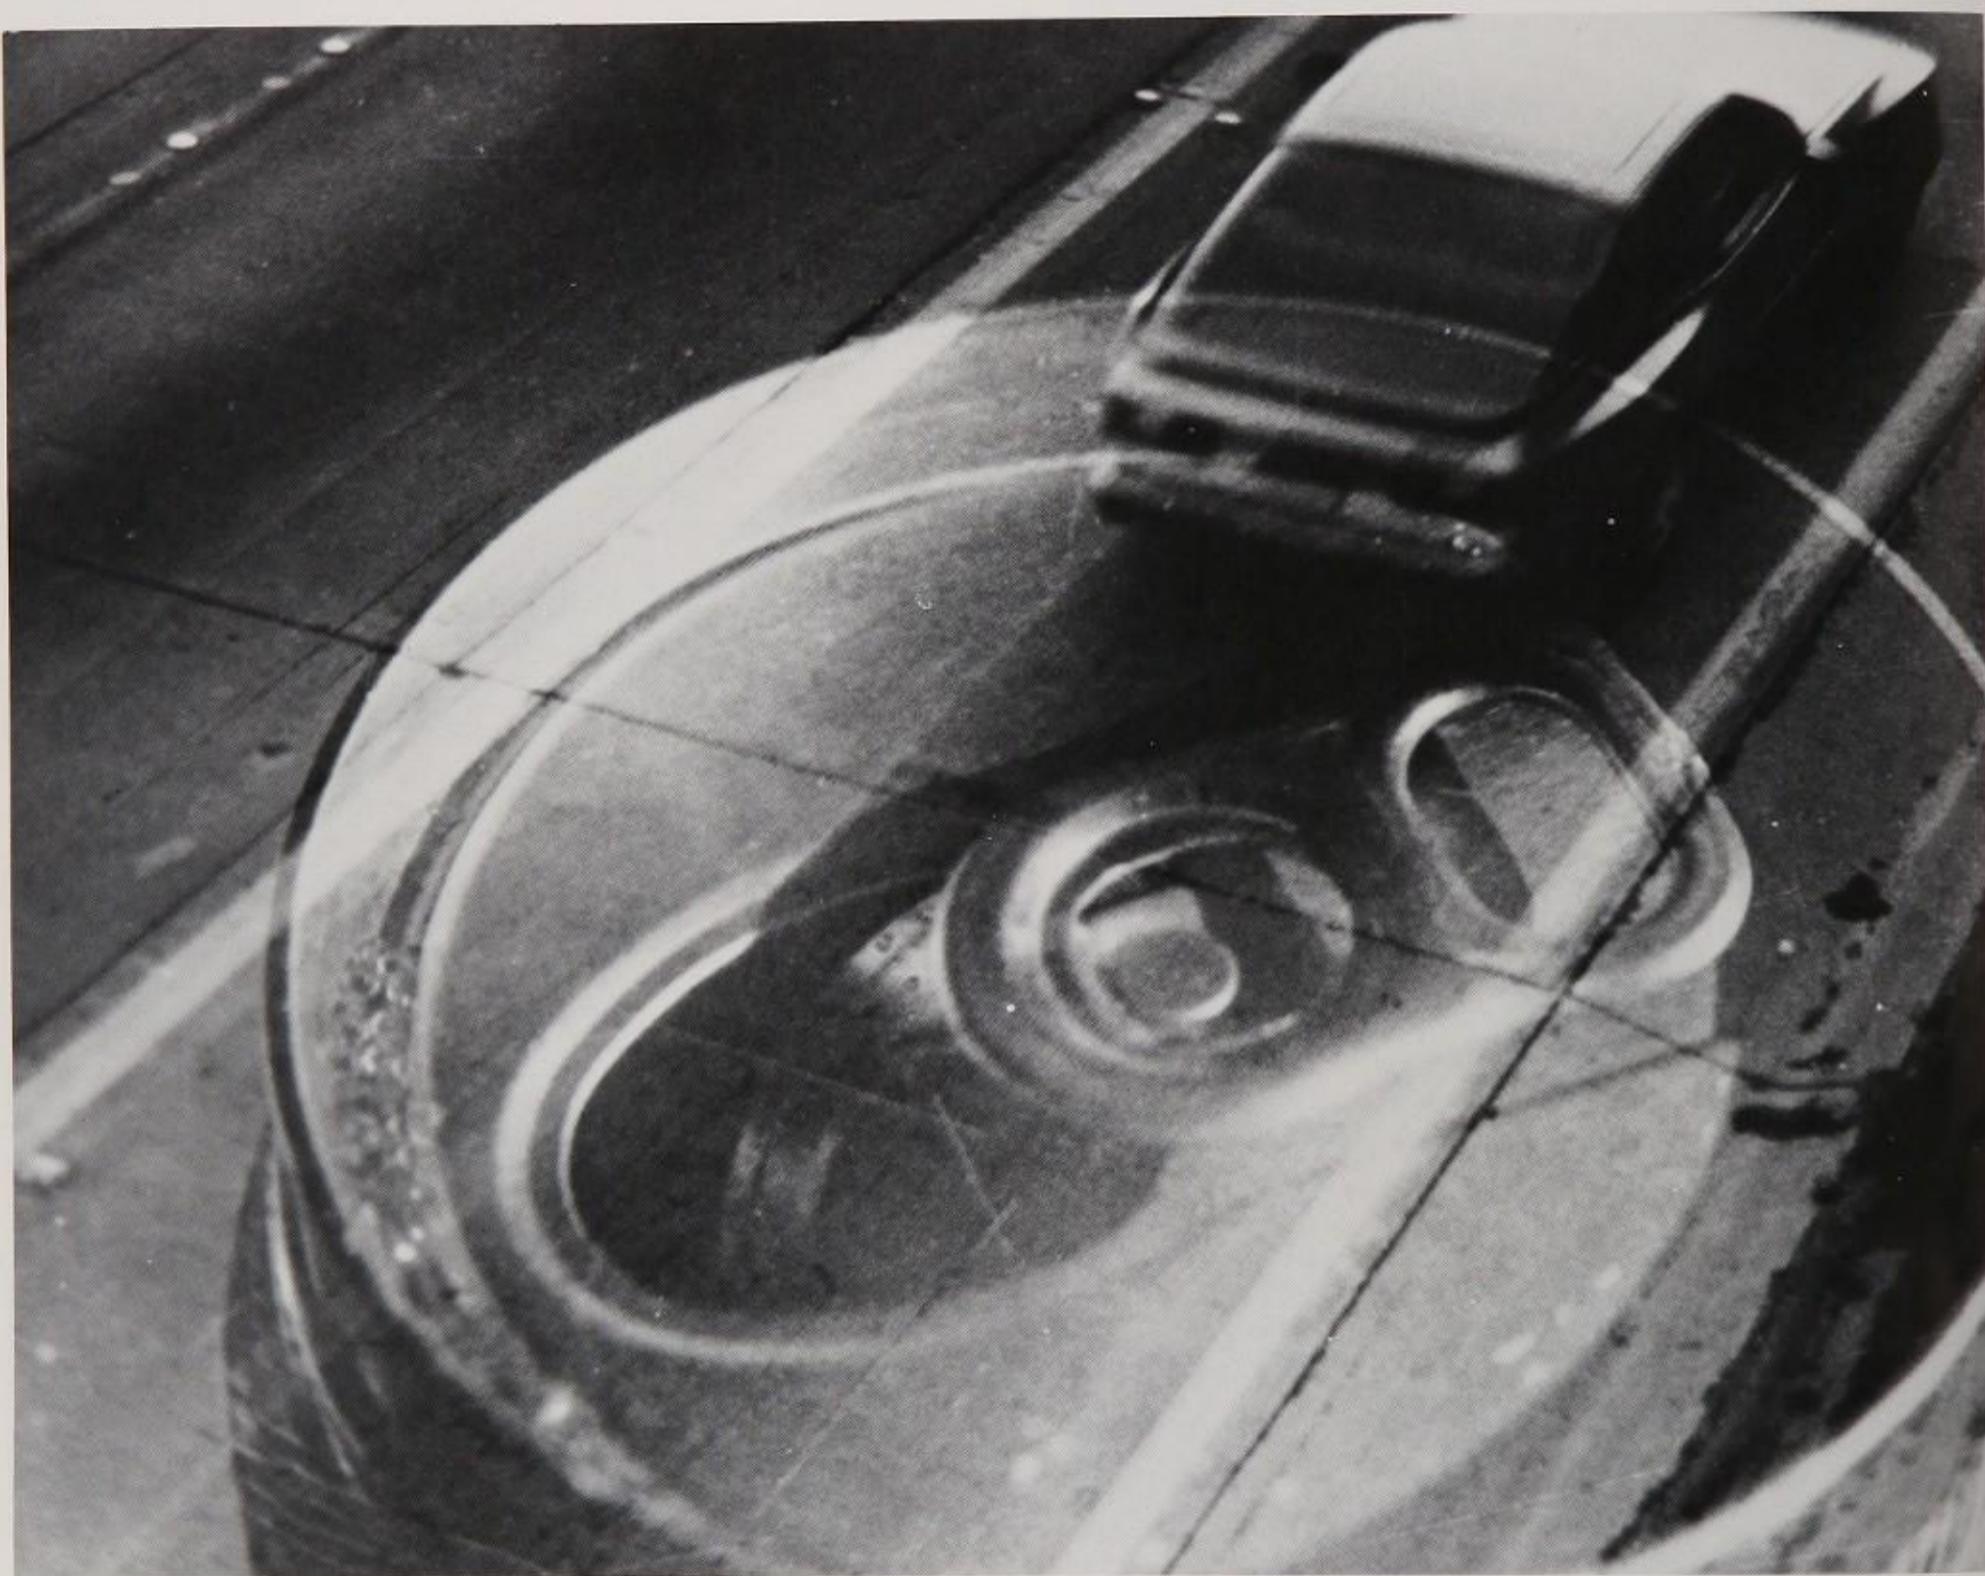

"It's like I died and came to heaven." is how Coach Tom Stevenson described it when he arrived here at Taft. After successful years of coaching at South Gate and Belmont High Schools, Coach Stevenson has shed some light on Taft athletics. This last season Stevenson led the Toreador football team to capture the Sunset League Championship and a city playoff berth boasting a 6-3 record. Stevenson also coaches over league, city and state championship track and field teams.

With Coach Stevenson at the helm, the Taft sports program has become one to be reckoned with. He believes strongly in pride and self-motivation and it shows through the teams that he coaches. He is, therefore, our choice for Coach of the Year.

DRINKING AND DRIVING

Did you know that:

- *1 can of beer=1 glass of wine=1 shot of hard liquor.
- *25,000 people in the U.S. are killed each year in traffic accidents related to drinking and driving.
- *2,000 people in California alone die each year due to a drinking-and-driving related accident.
- *130,000 people throughout California are arrested each year for drinking and driving.
- *One out of every six fatal motor accidents involve drinking and driving.
- *Approximately 6,700 people between the ages of fifteen and twenty-four are killed each year in such accidents . . . That's twenty-two people every day, one person every hour.
- *More than eight percent of the driving population are teenagers. They drive a mere six percent of all of the miles in the U.S. However, they account for at least fifteen percent of all drunk drivers in accidents.
- *According to the Surgeon General of the U.S., over the past seventy-five years, life expectancy in the U.S. has improved in every age group except those between the ages of fifteen and twenty-five, whose death rate is higher today than it was twenty years ago, due to drinking and driving.

As new teachers came, we regret that some teachers have left us. We regret losing Cecile Benson, Doug Cook, Warren Snyder, Dick Hubbard, Carleton Kratzle, and Bud White. We will miss you all.

"Taft feels like a kind of maze with all the connecting buildings. And the stairs give me the feeling I'm in an Escher lithograph."

Alissa Landau

"I have taught at Griffith Jr., Wilson High, Bethune Jr., and Bret Hart Jr., and I think Taft is very well integrated."

Faye Griffith

"I'm very excited to be sponsoring the 1987 Cheerleaders and Drill Team!"

Ellen Faulk

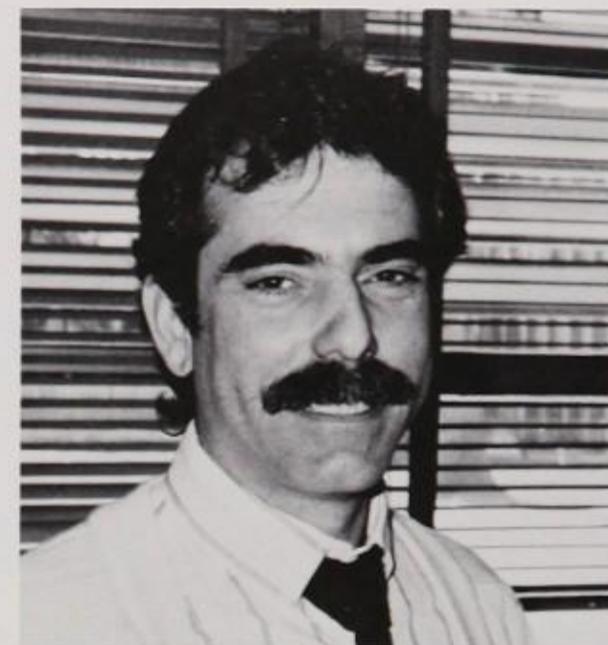

"I find Taft to be an interesting school. I have compared Taft to freeway driving during peak hours, specifically from 3:15 to 3:20. I feel safer driving on the grapevine."

THE AMERICA'S CUP

What goes down must come up! The America's Cup is finally back.

THE WORLD SERIES

Red Sox relief pitcher Calvin Schiraldi jumps for joy after striking out the side of the ninth inning of game 7 against the Angels, only later to lose the World Series against the New York Mets.

THE SUPER BOWL

New York's Mark Bavaro in the endzone with one of the Giants two touchdowns during the decisive third quarter, to help his team clinch Super Bowl 21.

FREEWAY TO L.A.

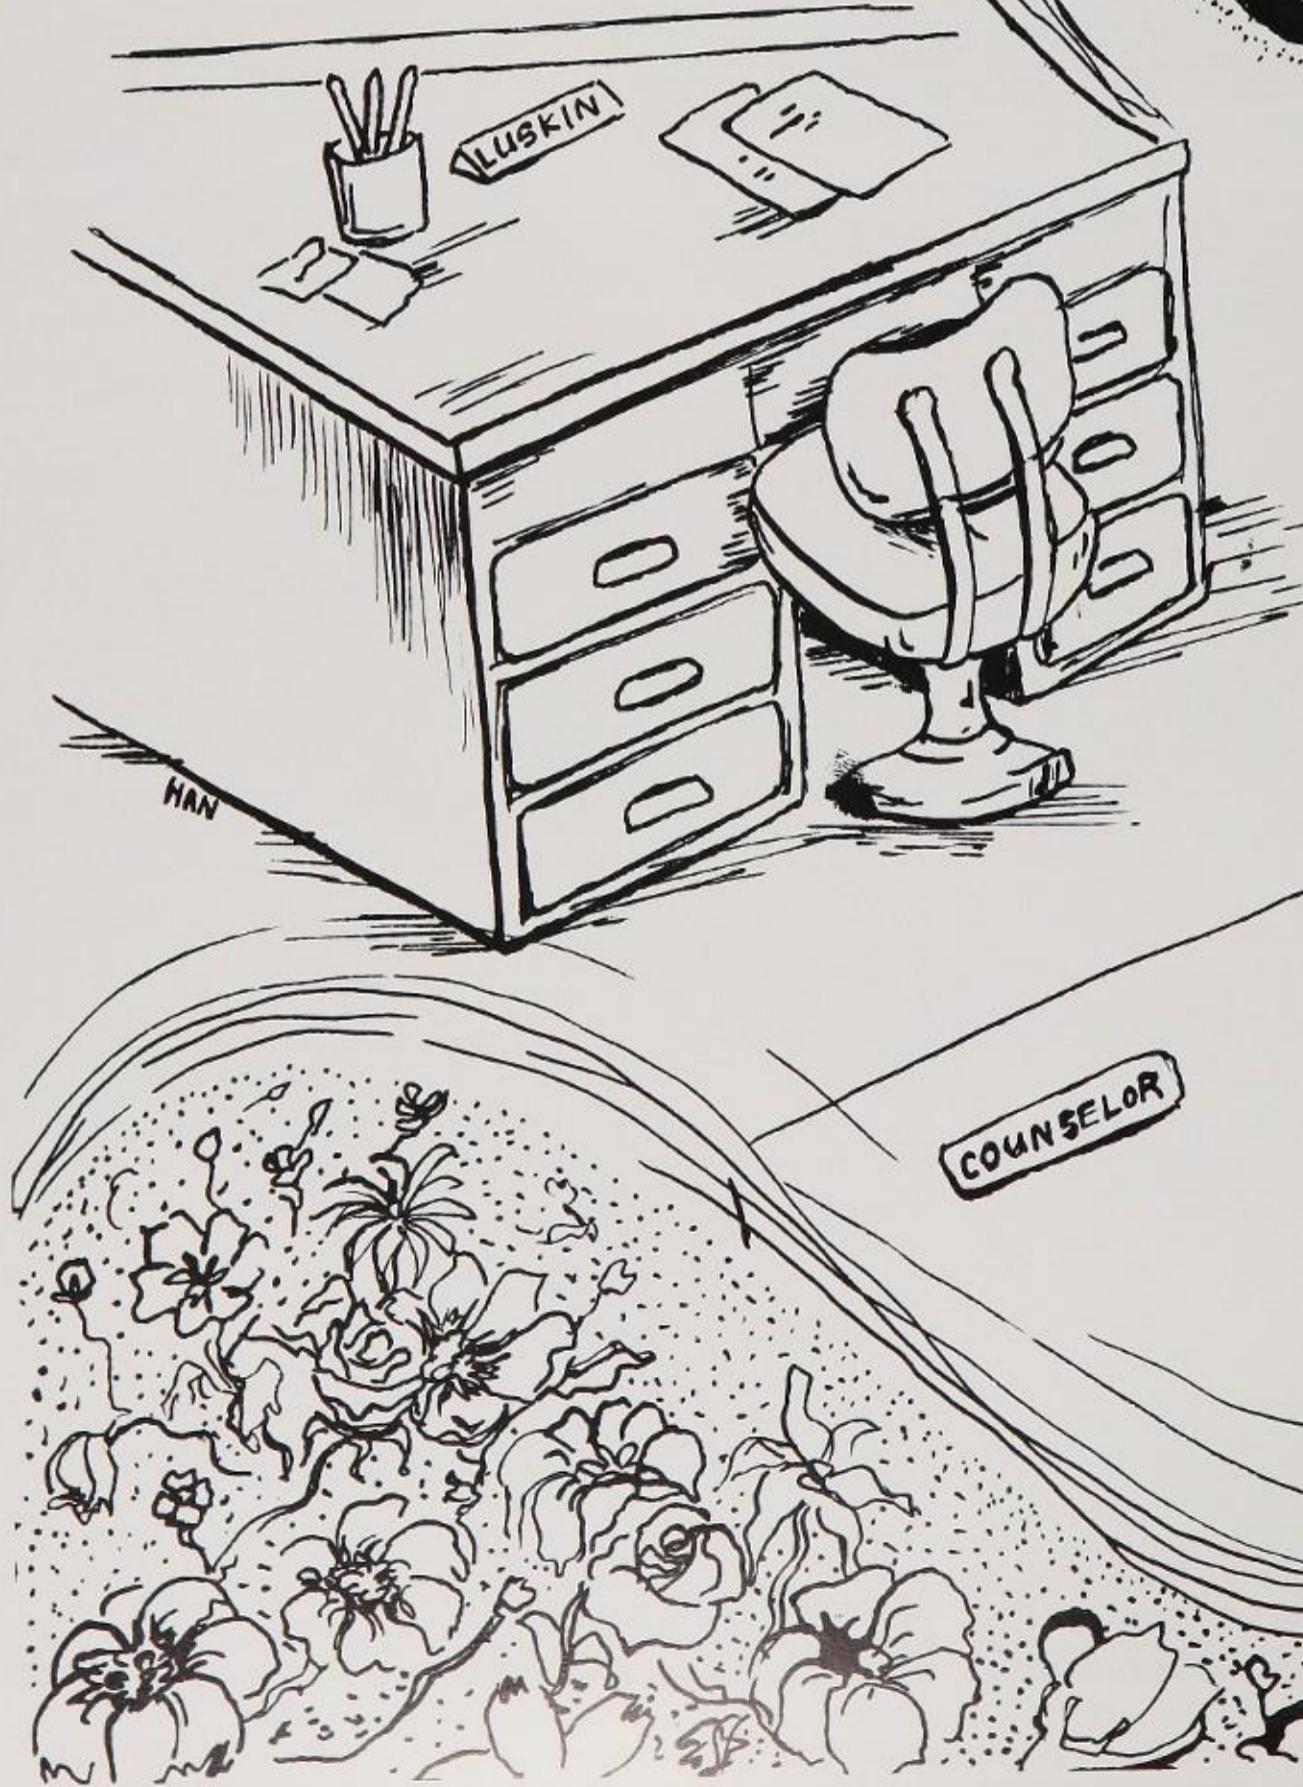

Montgomery Manor, Improvisation, Be-Bop, L.A. Connection, Hill Top, Olympic Auditorium, Rick's Punk Palace, Tactics, Westwood, In-N-Out, The Whiskey, Corbin Bowl, Wally World, Palladium, Chalk Hill, Country Club, Las Tunas Beach, Tempura House, Magic Mountain, Lasarium, Shoup Park.

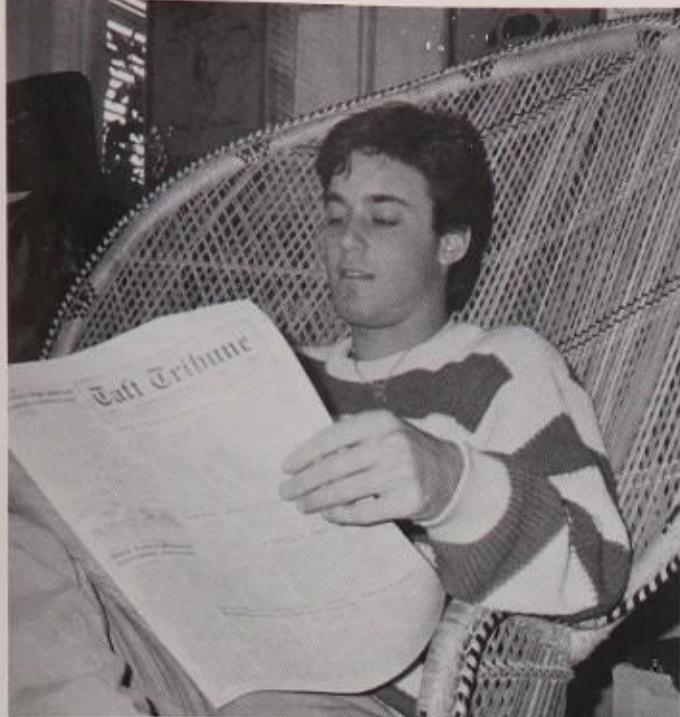

SHARON LUSKIN

WE REMEMBER A BEAUTIFUL WOMAN

The student body and faculty at Taft High School share a feeling of great sorrow over the death of counselor Sharon Luskin. Nobody will ever forget how encouraging she was: "She was always cheerful and energetic, and she had a positive attitude about almost everything," said Florence Gam. Before she became a counselor, she taught both French and Spanish, since she could speak both languages fluently.

But most of all, we will always remember how warm, helpful, and caring she was, not only as a wonderful counselor, but also as a special friend.

Jason Fasteau

Mark Nohaft and Fred Gershbein

Throughout this year, the Taft Tribune has been on a mission. Our mission was to interpret the thoughts, opinions and events that affected us all.

Under the helm of Darcy Rudnick last year, I found the Tribune average in quality. We had a superb staff, but the student body never seemed to appreciate or enjoy the paper. Thus, we needed to produce a higher quality publication. Let's see, how does the old cliche' go? Out with the old and in with the new. That's basically what happened.

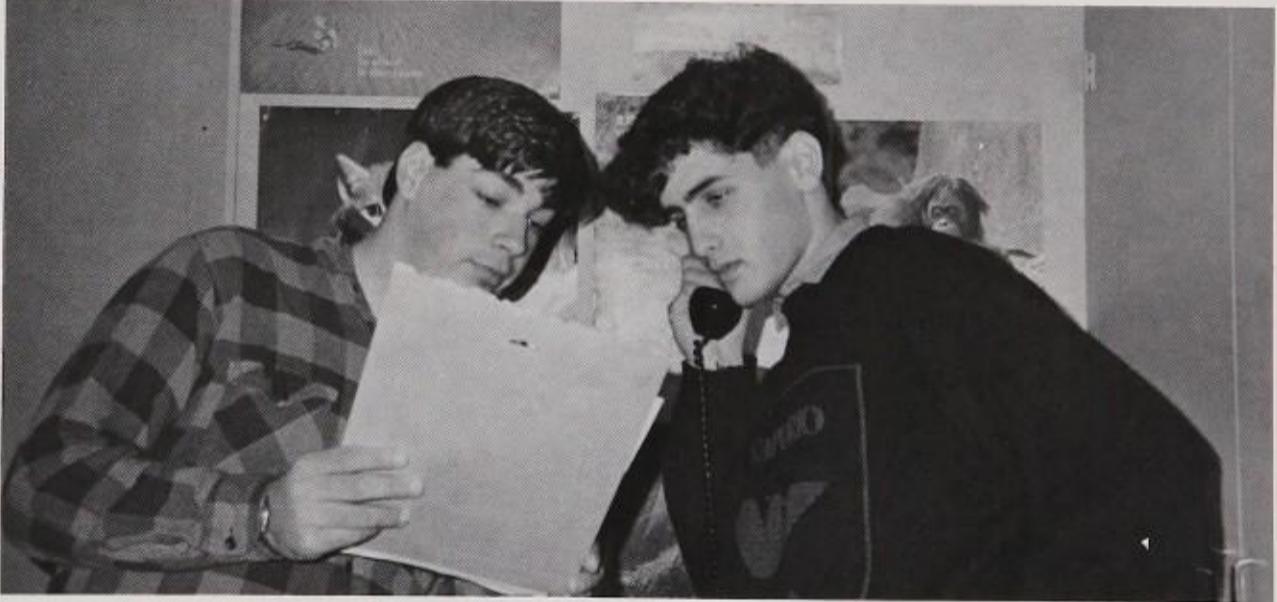

A whole new core of editors led the charge to excellence. Topics such as the teacher boycott, the Apartheid issue, Kevin Franklin's record-breaking point average, the underground newspaper scandal and Gigi's Death Penalty Series definitely made waves around campus. Yet, the new-found pride of creating high quality, well-depicted stories was our real accomplishment. The writing staff certainly didn't achieve this pinnacle on their own. For behind every great newspaper is a truly great leader. Mrs. Geri Siener is our leader. Her wisdom and dedication is the driving force behind us all. She holds high expectations of us all and from what I can see, we've met them.

While Mrs. Siener is our guiding light, the staff's various personalities are absolutely a part of our success. I have to mention two hard workers: Marc Herskowitz, who possesses a speedy manner, and David Weiner, who has a blunt delivery. They are a riot to watch attack each other. 'Listen to which golf player I like this week, Mark.' Caryn Youtan, giving me her weekly guy-scheme report. Allison Bailin, THE angel amongst angels. 'There were serious complications with the copy ...' Gershbein said. 'our chief, Rod Casilli. Oh, How could I forget? My ladies of the news page were always a pleasure to work with. I know I was rough sometimes, girls, but I love you all.'

MYSTERY CONTEST WINNERS

The White Flash
by Gareth Smith

The night was extremely dark. Only the bright moon shimmered on the dark waters of the lake. As the light glimmered on the water, a white flash leaped out onto the cold white sands of the country side. The white flash moved with great skill and speed. Through the brush and shrubs they ran, swiftly, perilously. Alligators, waking to the strange scream-whine, and snakes, sleeping, awoke to see the white flashes running through the waters and leaping into the night. Electric cold flashes formed a pack, ranting and raving. The animals of the swamp knew something was wrong, very wrong.

Then, a sudden deep howling! Where did it come from? What did it mean? The pack of light left the marsh in complete shambles, tearing at trees, shredding the bark, smashing the rocks, and shattering the grounds. The white pack travelled over swamps, mountains and deserts at a lightening speed. What were they and why were they here? Was it the wind? Maybe the imagination of all.

The pack moved into crevices of the earth breaking and tearing at the hard rock, melting into its seams. The trembling earth heaved and moved into a quiet ease. The pack melted into the earth from its source Father Moon, Mother Water, Animal of Electric Light. When the swamp creatures arrived at the lake, all they saw was the moon glimmering upon the dark waters of the lake.

Options for You

Off-campus classes allow students to improve their job skills by attending occupational centers or private industry sites, both in the valley and downtown.

A student can earn from $2\frac{1}{2}$ to 15 credits per semester for afternoon, evening, or Saturday classes.

Participate in the work world by signing up for Work Experience credit. This program allows students 16 years or older to leave school early each day, get paid at least the minimum wage, and receive 5 or 10 credits.

Don't drift with the wind. See the Career Advisor, Bill Kidder, in the Career Center from 7:00 a.m. to 3:30 p.m.

Dear,

SPECIAL ART CREDITS:

Giant thanks to the amazing Andrew Burward-Hoy who drew the cover, the small cartoons, and pages 17, 18, 32, 122, 123, 194 and 195. Also our Art Editor, Robert Friedman, did the title page, and pages 65, 194 and 195. Aaron Douglas did the memorial page. And another thank you goes to David Pascola, who helped us in many ways.

ADVISOR'S MESSAGE

This year's Atinian staff was burstingly alive with enthusiasm, school spirit and amazing ideas. From the first day of class, they teamed up on all sorts of promotion and design plans. They sold more ads than any other staff in Taft's history so that they could add a bonus section after the club section, adding forty-four pages to the book. They also used the extra money to add color in the sports section and transform the seniors into color.

This staff handled themselves in a really mature, responsible way. They took it upon themselves to work before school, during breaks and on weekends when necessary, insisting on double-copy proofing and high quality design copy, photography and art.

And a special thanks to our editors Brian and Michelle, who worked many extra hours designing, proofing and alphabetizing their Saturdays away. They always came through on deadlines. And they always saved their pink Starbursts just for me.

EDITOR'S MESSAGE

What do you get when you gather twenty talented people? The 1986-87 Atinian staff. Without them, you would never have received this wonderful book full of memories, color and fun. For seven grueling months, the staff worked to meet their deadlines — we thank them for their hard work.

Lara Blau was this year's Copy Editor. She wrote all of the exciting copy on the administrators and school events such as Homecoming and Fall Formal.

The graduating class of 1987 should help us give a big thank you to the Senior Class Editors, Devon Wolf and Ami Rosenquist. Their jobs consisted of taking care of the portraits, "What Can I Say", and the Senior Poll.

Robert Katz was our Clubs and Activities Editor. He worked like crazy to get all the clubs together for pictures. It was a tough job and he was the right man for it.

David Wing headed our photo department. His staff included Courtney Cook, Robert Katz, Wendy Saunders, Brian Otchis, and Lysa Nemiroff. Without their patience and devotion we would have had no pictures.

If you love art, then you should give our art staff a pat on the back. Robert Friedman lead an incredible group of artists in making our art additions spectacular. They worked on the trivia cards and numerous art pieces. His staff included Andrew Burward-Hoy, Aaron Douglas, Takako Kato, and Collin St. Johns.

How were the pages designed? Well, just ask Jill Rothman and Shani Verchick, our Layout Editors. They concentrated on laying out the pages and making sure all the pictures, art and copy would fit.

One, two, three strikes and you're out! Thanks to Jill Jutovsky and Ben Lawler, our Sports Editors, the Sports Section finished with flying colors. They worked hard to study our school's sports statistics and planned out the section very carefully to make sure every sport was represented with plenty of photos.

Kim Smith, our Underclass Editor, worked intensely on the underclass photos and events. She made sure each grade was represented equally. She put a lot of work into it and the results, as you can see, are outstanding.

Wendy Saunders, our Ad Editor, made us push for ads everyday. Without her constantly asking for more ads to be sold, our yearbook would not have had color senior portraits and more pages. But thanks to Wendy, we have all of the above.

With the help of our advisor, Kathi Martin, our staff made this year's Atinian successful and hopefully entertaining for you, the reader.

Enjoy!
